CATERING

Individuals and businesses

About us

We are Rosanna, Valentin, and Nicolas.

Three different paths brought together by a shared desire: to bring people together, welcome them, and take care of them.

That's how **Chez nous** was born, from the desire to create a place where everyone feels comfortable, simply at home.
Feel at home at Chez nous.

Today, we share this spirit through our catering service, designed to make every event a warm and delicious experience.

Local, delicious, and made with love: Welcome to Chez nous.
